To whom it may concern, Hello, my name is Donel White, Pastor of the Pentecostals of Georgetown in the city of Georgetown, SC. I am asking your help in getting a spongement that is hindering me from getting a good job. I have spoken with the local Solicitor who has tried to help finding out that SLED will not comply. Spoke with Attorney O'Donnell who said I didn't really need legal representation. Attorney O'Donnell attempted to make calls with me in his office to no avail, then insisted I contacted my State Governor. In 1986, I got home from work about 2:30am to find my sister being abused by her boyfriend at the time. I went into the room where she was assaulted and ask him to stop hitting on her. Michael pulled out a knife and said it was none of my business and to leave the room. I ask my younger brother to get my Karate sticks, I knocked the knife out of his hands, he charged me, I place him on my shoulders took him outside threw him to the ground and repeatedly hit him the mouth which resulted in assault and battery charge. I have not been in trouble sense the incident. I need your help. It is difficult to mentor inmates if I can't get into the Detention center. Phone # is 8432517920. please give me a call. Thanks
