Works for me.

Whenever Dept of Ag and USDA agree to come to the events, it would be good for them to do a release on their own as well, as we go to rural, agricultural parts of the state.

That's the template language we've used previously, so we'll leave that.

Halti/Swati – can we get sign off here so we can send this out? In these smaller towns/counties, we have to get this stuff out sooner than for larger markets.
