Subject: RE: LTC Taskforce Steering Committee Meeting Information for 12/16

Eleanor,

I will be in a required training today so I will have to miss the meeting.

Subject: LTC Taskforce Steering Committee Meeting Information for 12/16

Hi everyone,

I look forward to seeing you all at our LTC Taskforce Steering Committee Meeting tomorrow. I know this is a busy time of year so especially appreciate your taking the time, once again, to share your expertise and insight with the taskforce effort. I have attached an agenda for the meeting and have also included other relevant details and information below.

December 16th logistics/details

Schedule

3:00pm – LTC Taskforce Steering Committee Meeting (agenda attached)

5:00pm – Thank You/Celebration of our Work, with drinks and hors d'oeuvres

Location

Capital City Club (salon C), 1201 Main Street, 25th floor, downtown Columbia. IMPH will cover the cost of parking in the Lady Street garage, which is accessible behind the building.

Additional information

As a part of our meeting, we will be addressing outcomes from the voting process. A particularly important area of discussion will be HCBS and funding so I am re-sharing a national report (prepared by Truven) that we've been using as our source on the institutional/HCBS split. The report came out earlier this year and charts Medicaid's institutional and HCBS expenditures as of FY12. I'll have copies on-hand tomorrow, and here's the link for those of you who would like to revisit the information in advance of our meeting:

<http://www.medicaid.gov/Medicaid-CHIP-Program-Information/By-Topics/Long-Term-Services-and-Supports/Downloads/LTSS-Expenditures-2012.pdf>

This is a lengthy report so I'd like to highlight a few particular pages of interest:

- The executive summary notes national trends and can be found on pages 1-14.
- See page 6 for a chart comparing the institutional/HCBS split in all states.
- See Table C for a state summary table.
- See Table 41 for an overview of SC.

Thank you,
Eleanor

Eleanor Stein
