See below. I will be out of town all week. Do you want me to postpone, or have Christian come over and speak on the bill?

Senator Gregory,

I have confirmation that your Joint Resolution, S.266, will be considered at the Higher Education Subcommittee on Wed, Feb. 13, at 10:00 a.m. You will be the second and last bill on the agenda. Senator Setzler would like you to attend to speak on behalf of the legislation.

Thank you,
Olivia
