Hi Elizabeth,

Unfortunately, the governor does not have any availability to join you all this weekend.

Let's stay in touch.

Chaney

Hi, Chaney -- Checking in again on the Governor's availability for this Sunday, Dec. 11th, or the next, Dec. 18th to appear on Face the Nation. We would love to have her on to discuss her tenure as governor before she leaves office. As both the first female and Indian-American to fill the role of SC governor, Governor Haley has a unique perspective and has accomplished so much during her time in office. In particular, her leadership after the Charleston shooting and her call to take down the confederate flag sent national signals about race relations in the country. We would love to discuss this and more on our broadcast.

Please give me a call if you have a free second today. Thanks!
