CONGRATULATIONS to Park Manager Joy Raintree and her staff at Redcliffe Plantation State Historic Site for receiving the Director's Award at our recent Park Manager's Conference. Redcliffe Plantation is a park on the move with lots of great things happening from a new visitor's center, to great programming, to beautiful grounds -- and a whole lot more! Pictured here is Joy, Doug Kratz - Park Technician and Elizabeth Laney - Park Interpreter. YOU really should visit Redcliffe soon: www.southcarolinaparks.com/redcliffe
