The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, South Carolina 29201

Dear Governor Nikki R. Haley:

My name is Dr. James Taylor and I am a Social Studies teacher at Roosevelt Middle School in Oklahoma City, OK. My students are in 8th grade Pre-A.P. U.S. History. We are beginning the 2016 school year with current events in the government.

My class selected you as one of the politicians they wanted to hear from in our country. We know you are a busy leader and your time is valuable. We would be honored if you would take the time to send a signed photograph, or any other item you would like to send for our class. We will display your response in our room. My students had a great list of questions for you; however, we narrowed them down to three.

- Why did you go into politics and what does it take to get into politics?
- What events or circumstances helped to shape your political views?
- Has there been a time in your Political career that you have regretted a decision you made? If so, what would you have done differently?

Thank you for representing our great Nation and thank you for your time.

Sincerely yours,

Dr. James Taylor
