Marcia,

I have sent these proposed changes to Henry Wengrow at DPS and asked for feedback. In addition, Gary Cannon, Legislative Liaison at the Municipal Association called to see whether we had any comments or proposed changes to S.596, so I emailed him a copy. Gary looked at them while we were on the phone and said he did not see any problem.

John, I told Gary that I would ask you to touch base with him at 933-1203. Gary and Howard Duvall will be there on Wednesday, accompanied by officials from the Camden and Hilton Head Island Police Departments, for them to testify about why they need to go the electronic route.
