Catherine,

I have not seen any e-mails, invoices, or any calls from Central Midlands regarding the box after the permission to give City of Columbia and Richland County Sheriff was given. This will end on June 30, 2018 because of the use of carry forward funds. We do not get our carry forward allocation in mid-August and is not in our regular budget. Carry forward funds are not guarantee to be given until the Comptroller General's Office does the certification. The amount of time should have been more than sufficient to be able to take advantage.

Thanks,

Ken Burton

Do we know if RCSD has requested a takeback box yet? If so do we have a delivery eta?
