

The Honorable Nikki Haley  
Governor, State of South Carolina  
1205 Pendleton Street  
Columbia, South Carolina 29201

October 26, 2016

Dear Governor Haley,

So many times in our busy lives we fail to stop and say thank you to the ones that have contributed so much in serving others and being there at the right time. You are that Public Servant, and we love and thank you for what you have done for our great State of S.C. In all of my life in the public and private sector, as well as military, I have tried to live up to these same standards. A person really has to know the difference to make a difference. My only regret is that you can't be our Governor for a third term. Look what you have achieved during your term in office as Governor of this State.

I especially want to thank you for your outstanding leadership during Matthew and what you did and are doing for the wonderful people of Nichols, S.C. In the late 1970'S, I took a leave of absence as Senior V.P. of The Old Charleston Ins. Co., Ltd, to manage a family business in Nichols and got to know a lot of the wonderful people there. I later returned to the insurance company, and later the S.C. Dept. of Ins., then serving Berkeley County as their Coroner for 12 years. I have been a full line insurance adjuster since 1964 and worked many and all types of claims, but these storms are beginning to take major effects on our well being and economy.

It has been a pleasure serving you and the great people of S.C. in various Commissions and positions.

Thank you again for what you are doing for us. You will be noted as one of the greatest Governors this state has had if not the GREATEST.

I will always be at your service, and with kindest regards, I remain,

Wade C. Arnette
