Subject: RE: Timpson Case

Jim Casserly conducted a search of IQ records on or around March 13, 2016 and did not identify any records responsive to "Johnny Timpson" or "Timpson".

The only records that I have are attorney records for tendering the matter and requesting a Form 1.

Have you all received and/or sent any correspondence or any other material to either Sandra Timpson or Johnny Timpson or anyone on their behalf? Or, do you have any other material related to Sandra or Johnny Timpson?

Thanks, Holly
