After you confirmed with us August 19 – we moved forward with coordinating the other attendees schedules/calendars.

We are not using Sharepoint for this trip because of all of the moving parts.

Please call my cell if you have any questions.

Thanks, KV

When I didn't hear from you I put it in Sharepoint for August 18 at 1:30, since that was in the available times that you gave me. Nicole confirmed it for that time. August 19th is Aerospace Day, so George is tied up for most of the day. Is it still possible to do the 18th?

The Consul General of India would like to meet with Governor Haley sometime in August (here in Columbia). Can you get me a few dates and times that would work for her and we can check them with George's & my schedule then we'll put it through Sharepoint? Should take 30 minutes.
