Dear Governor Haley,
My name is Carey Upton. I am a South Carolina resident in Spartanburg county. I am deeply concerned about a plan from President Obama to relocate Muslim immigrants to Spartanburg County. This is bringing much fear to our community and a feeling of vulnerability to radical Islam. Are you aware of such a plan and if so is there anyway to stop it from happening? Thank you for your time and attention to this matter of concern.
God bless you,
Carey Upton
