**scstateparks** Anyone recognize this guy? His relative made quite a splash at the South Carolina Aquarium earlier this year. This one has been seen off the pier at Myrtle Beach #SCStateParks and will most likely stick around through May feasting on jellyfish!

**atlantagal** Cool. How do you know its the rescued beached one, was she tagged?  
at 18:25:53 on 4/27/2015 UTC

**atlantagal** Or he. I thought it was a female.
