

MAKING ROOMS FOR BIRTHING

When a child is born, the mother should be taken to a rooming house, where she will be attended by a registered nurse, and where the child will be born. The rooming house should be located near the hospital, and the mother should be taken there by a nurse or a doctor. The rooming house should be clean and comfortable, and the mother should be given food and drink. The child should be born in a clean and comfortable room, and the mother should be given food and drink. The child should be born in a clean and comfortable room, and the mother should be given food and drink.
