Guys
The appointment to our technical college Board is now a mess. Apparently, the letter had a clerical mistake in that Kevin Conyers was not previously on the Board nor was he ever considered for this Board. David Weeks believes that he was interested in being appointed to our local RTA Board. The person who was to be reappointed was Bobby Anderson. Is there any way that we can unwind this appointment? Also, Can you see if the delegation did, in fact, send a letter to your office asking for Kevin Conyers to be appointed to the Santee Wateree RTA board. According to our records, a letter was forwarded to the Governor's office but no action has been taken. Of course, we can not locate the letter so it may never have been forwarded. Can you please let me know the above at your convenience. Thanks, Murrell
