**Subject:** FW: School Transportation Decentralization Study Committee Meeting - Thursday, November 15, 201

---

Good afternoon. The next meeting of this committee will *tentatively* be Thursday, December 13, 2012 (time and room to be determined). Please note this means that we will not meet this week as tentatively discussed in the last meeting, thus allowing for schedule conflicts and additional time for staff to receive information requested.

It is anticipated that this next, and probably final, meeting will last approximately 1 ½ hours; the agenda may include, but will not be limited to, review and discussion of information to include in the final report to the General Assembly.

Please let Emily or me know if you have any questions or require any additional information. Thank you.
