We're proud to present the newly renovated Lakeview Hall at Chester State Park! This building is ideal for social gatherings to include family reunions, weddings and more. The renovation project was largely funded by the Lutz Foundation and included donated rock veneer from Boral Culture Stone company in Chester. We thank you for your support! www.southcarolinaparks.com/chester

Michael Lewis My family use to have our family reunions there, Oates Family

Michelle Sanders The Lutz family does so many wonderful things! Stephanie Stewart Caston & Chrissy Steen, I thought you'd like to see this! ❤️ Kelly & I are cousins, and she's a ranger at the park.
