Subject: Anderson Cooper/CNN interview request

Good morning, Chaney.

Anderson is making his way to Charleston to anchor our show from there tonight.

Could the governor join Anderson today for an interview?

Our show airs at 8pm ET, and I would be happy to set up all logistics to make this as convenient as possible. we could do the interview live or pretape it at an earlier time if needed.

Many thanks for your consideration during this busy and very difficult time.

Sincerely,

Jen
