Chaney/Rob,

Bryant is set up with what he needs and has my contact information.

We will be onsite tomorrow at 7 pm to assist him with last minutes details or issues.

Due to manner we set up Bryant, we will not be shutting down any network ports or wireless access.
The internet access, at the mansion, will remain fully active and will not cause a disruption in your preparations.

If there is anything you need from DTO or myself please let me know.

Regards,

Jim
