Thanks, Lena is working on this. We are running into a snag getting email addresses. These folks typically don't randomly give out their emails to a general request. Do you think commerce might have them?

We've worked on the mail merge file (attached).

We need the following:

- Prefixes
- Legis Delegation (second tab / row 2 is the example for mail merger)
- Yellow highlights
- Emails (we will email scanned invitation)
- *Phone (if you want to include)*

Please review the attached DRAFT brief and insert additional information about the overall event.

Working on the copy for the invitation now. Please call my cell if you have any questions.

Thank you,
Katherine
