

## **INTERNAL STAFF UPDATE\***

### **Wednesday, October 15, 2015**

---

**Budget:**

David held seven (7) budget hearings with the following agencies: Ethics Commission, Human Affairs, Minority Affairs, Archives and History, AHEC, Arts Commission, and State Library.

**D-SNAP Application:**

DSS has submitted information to our office about its proposed application. Basically, we need to decide whether to submit an application to allow benefits for all that qualify in the 20 federally declared counties or just those areas identified by DSS and supported by EMD data that were most impacted. I have given the information and my recommendation to Swati for your consideration. DSS would like us to make a decision about this quickly, so they can submit the application for benefits.
