Chaney – can you check in with Commerce and see if they have been asked to comment. Bobby is prepared for this.

Is this on the radar/ did they inform us?

How would you all suggest we respond?

Could we get a comment from the governor about Century Aluminum's decision today to issue a WARN notice to its employees that it will close the 600-employee plant in Berkeley County by Dec. 31 unless Santee Cooper comes to a power transmission agreement?

Thanks,
Warren
