Nikki Haley on WLTX - COL (CBS) - Columbia, SC

01/15/2015 05:32:55

News 19 @ 5am (News)

... people who say this was their time attending an inauguration. state, national and international dignitaries... and even possible presidential hopefuls... hundreds of ordinary people braved the cold... to governor nikki haley's 2nd inauguration. this may only happen once, so i decided to skip school 9-year old ainsley moie says meeting governor was in first grade motivated her politics when she gets older. my future plan is to run for mayor and when another up, i'm going to run for governor.> but ainsley is not the only one who says a personal áthis governor is what brought them out today... crawford says her connection began when she was in 8th in 8th grade i was bullied, letter to her and she actually called my to come up here and meet with her and she just kept in me, making sure i'm ok and just helping me out. 18 just in time to cast her vote for governor one vote can mean a think it's important to vote.they aren't old yet... but joyce bledsoe ...
