Catherine,

Below is some helpful information/links from other sources that Lena might find helpful in preparing her resolution. Most of the information and statistics our office has would be related to elder abuse, neglect, and exploitation (which she probably doesn't want to include). However, if that's not the case, we will be able to provide those numbers.

**National Nursing Home Week
May 14-20, 2017**

**National Assisted Living Week
September 11-17, 2017**

<https://www.ahcancal.org/ncal/events/nalw/Documents/NALW%20Planning%20Guide.pdf> (guide has some good, standard wording to borrow)

Catherine,

Thank you for your help with this. We are preparing a resolution for the above mentioned National weeks. We are looking for additional information about nursing homes and assisted living facilities in South Carolina(to include statistical information) and how residents benefit.

With gratitude,
