Hello!

I have a question about group size in SC parks. I saw that it was suggested to be less than 3 people at a time, but I wanted to also ask!

If we have 2 households meet together is that ok, since before meeting at the park each of the 2 groups already lives with the people in their group?

You may be in family groups of more than 3. If you have any other questions please ask a park ranger or contact the park you will be visiting.
