Dear Mr. Brian Symmes:

Pursuant to the South Carolina Freedom of Information Act, I request access to and copies of Governor Nikki Haley's daily schedule/appointment calendar from 1/1/15 to 9/1/15.

I agree to pay reasonable duplication fees for the processing of this request. Please advise us as to the estimated copying costs. I would prefer to receive this information electronically so please let me know if it is available in this format.

This information is being sought on behalf of KWCH 12 Eyewitness News for dissemination to the general public.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all material that can be segregated from that which is exempt. I, of course reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

As I am making this request as a journalist and because this information is of timely value, I would appreciate your communicating with me by telephone, rather than by mail, if you have questions regarding this request.

I look forward to your reply as soon as possible, as the law provides, but not later than the end of the third business day following the date that this request is received. The law provides that if access to the public record is not granted immediately, this custodian shall give a detailed explanation of the cause for further delay and the place and earliest time and date that the record will be available for inspection. If the request for access is denied I request a written statement of the grounds for denial.

Thank you for your assistance.

Sincerely,

Lauren Seabrook
