Tony and Sue-

See the below request from Shawn Keith regarding VDHCBs. He is requesting a letter from the LGOA indicating the VDHCBs program is continuing. Are we at a point where we can draft something?

Back in August we received notification that the VDHCBs program was being discontinued. Recently, I was informed by Tony that the program would be continuing without a break in service. Tony directed me to contact those veterans that were affected and notify them that the program would be continuing. Can you please forward me a letter stating that the program is continuing so I can have updated information in our file.
