Katherine,

It's a great day in South Carolina and the Hilton Head Bluffton leadership class 2014 is glad to be part of the day here in Columbia. Governor Haley's leadership helped bring the first big step to providing equitable opportunity for education throughout the state. Congratulations on a great start.

As I mentioned earlier today my son is a third year student at the Moore School of business at USC. He currently is on an international study program that will run until April 25th in Barcelona, Spain. Tomorrow Thursday March 13th, he is interviewing with Ford Graham for a summer internship at the SC Commerce office in Munich, Germany.

Adam's resume is attached. I wish him well and strongly support his efforts.

My best,

Gregory F. Viventi, CRPC
