Subject: Few tasks

1-John Holland [REDACTED] □

Kevin John Holland who owns the compounding pharmacy in Easley and who I also attend Clemson Presbyterian Church with is having a problem with DSS in an adoption. He asked me if I could ask you for a DSS contact who might be able to cut through the difficulty. I have sent you his contact information since he can better explain the circumstances to you. If you can help that would be great.

"With Barbara having two critically sick brothers, it has been a struggle to accomplish anything except helping them. Older brother has had two serious strokes which left him partially blind in his left eye. The younger brother is in the hospital recovering from cancer. He is hanging by a thread. He took the new Jimmy Carter shots and the second one caused a severe reaction that has caused his immune system to dissolve his small intestine and colon. It is a bleak picture.

With everything happening around us, the unbelievable happened. I purchased a 55 chevy and a little at a time I have been restoring it. A stranger showed up at my door claiming that I stole or purchased his stolen 55 chevy. He is attempting to place an injunction against me and recover my 55 chevy. When I purchased my car it had a squeaky clean title with vin number matching the car. I also asked for and received a notarized bill of sale with the matching vin number. upon the purchase of my car.

He is trying to place a grand theft case against me and take me to court. Kevin, I need the name of an excellent and honest lawyer. This is so ridiculous it makes me shutter. Are there any honest people left to teach clean moral values?

Thanks much for any suggestions you can give.

Looking up,

Bill and Barbara
