A Dressier Glimpse Back in Time

Andrew Shippin the first time I was at this park would be in the late 70s. I don't have any pictures of it though. Kind of wish I had... I do remember all the low flying A7s and F4 Phantoms from MB-AFB quite clearly though.

Phillip T. Moore This is because people had a lot of respect for both themselves and others. Some might call it fashion or trends but it is deeper than that. They worshiped in church and thanked the Lord that they had the opportunity to visit such places as this. People sure have changed over the years, what happened?
