## Office of the Governor

NIKKI R. HALEY  
GOVERNOR

1205 PENDLETON STREET  
COLUMBIA 29201

Dear Friends,

On behalf of the people of the Palmetto State, I am pleased to welcome you to the Advanced Manufacturing Technology Training Center Ribbon Cutting.

This is an exciting time for Central Carolina Technical College and the entire Sumter community as the transformation of an abandoned big box store into this state-of-the-art training center is revealed. An outstanding new facility, the Advanced Manufacturing Technology Training Center is an asset to our state that will help build the highly-skilled workforce to staff Continental Tire of the Americas as well as other existing and future industries in the area. With our reputation as the new "it" state for manufacturing, it's a great day in South Carolina when our people are provided the tools they need to work and our businesses have the resources they need to succeed.

Michael and I thank you for your contributions that help make the Palmetto State such a great place to live, work, and learn. God bless.

My very best,
