Let's stop elder abuse

June 15 is World Elder Abuse Awareness Day. Help raise awareness about the signs of elder abuse and how to combat this hidden tragedy. Distribute materials, host an event, or simply spread the word among the seniors you serve.

What are the challenges facing family caregivers?

Caregiving in the U.S. 2015 Report from the National Alliance for Caregiving and AARP shows that the profile of the family caregiver is changing. While the "typical" family caregiver is a 49-year-old woman who takes care of a relative, caregivers on the whole are becoming as diverse as the American population.
