Subject: FOLLOW UP: MSNBC's Chris Hayes request to interview Gov. Haley tonight, Monday, June 22, during the 8p ET hour

Hi all,

Just checking back in with you to see if there is any way that Gov. Haley might be available to join MSNBC's Chris Hayes tonight, Monday, June 22, during the 8p ET hour. Chris would still love to speak to her about what happened last week in Charleston, and the issues surrounding the Confederate Flag. This would be for a LIVE interview, one-on-one, for about five to seven minutes during Chris' 8p ET hour. We could pre-tape the interview earlier in the day if that's better for her schedule. Chris will be anchoring from our studios in New York City. We could accommodate Gov. Haley from a studio near wherever she is today, and have her join Chris via satellite. We'd also be happy to send a crew to her.

Just an FYI that Chris' program has one of the highest percentage of African American viewers on MSNBC. I know that our audience would love to hear about what she has to say about the above issues.

Thanks all!

Regards,
Sheara Braun
