LG won't be available for a meeting until session. Please ask him for details of his idea. I bet we have something pretty close already in code.

Subject: RE: Question

I have spoken with Ben Parekh, 110 Spanish Wells, Anderson, SC; he wanted to know the status of S. 44 and H. 3079 which I provided. They relate to tax credits for renewable energy. He was also insisting on meeting with the Lieutenant Governor to discuss similar language for commerce in South Carolina. I tried to refer him to his senator but he wouldn't have it. Please advise.
