The following comments were received through the Intranet feedback form:

<b>Comment Type:</b>	Suggestion
<b>Name:</b>	Tabatha Lowrance
<b>Office:</b>	camden field office
<b>Email:</b>	TABATHA.LOWRANCE@SCDMV.NET
<b>Phone:</b>	<no response>
<b>Fax:</b>	<no response>

**Comments:**

if law enforcement can swipe a drivers license dmv should implement the same process to save on paper and forms. the customer could update their info on the box they swipe it on. just a thought
