I'll ask about the delegation question - in the meantime, we're looking at 11AM on July 8th, if that works. Thanks.

That week looks good. Tuesday and Thursdays are the best for me generally but can make adjustment if need.

Is it possible for me to invite Rep. Bannister? He's been a big help in this program. If I invite him personally you guys wouldn't catch the heat from others in the delegation. Unless you want to invite the whole delegation. That's your call.

I have copied Karen Floyd since she driven this process for me from the beginning.

Best,
Bob
