Here's another of the many Halloween Events taking place at our parks. A moonlight trail ride at Lee State Park! Bring your own horse -- of course!

**MOONLIGHT
RIDE**
at Lee State Park

"Halloween" - perfect for a Moonlight Ride with Adventure Fellowship Riders Club at Lee State Park!

Bonfire, food, the moon, good friends and your horse! Great recipe for a wonderful evening!
Supper will be provided (bring your own drink)—then ride out at dark.

Saturday, October 27th, meet at the show ring at 6pm.

Camp for the weekend or come just for the ride,
either way it's sure to be a great time!

Mike Games It would be great if you also provide which county in SC. ...would save me a google :)
