You should hear from our Communications Director, Tori Beth Black. She also will be with him in the morning.

Danny,
I was wondering if we could get an advanced copy of the Lt. Gov.'s speech for tomorrow?

It will be embargoed, but it will give our reporter a chance to do some advanced work on the story surrounding the event.

Thanks.

Matt

Subject: GSA Business event information

Lily,

Thanks for speaking with me this morning. It was great to "meet" you as it were!

Here is a little bit about the event we would like the Lt. Gov. to be a part of:

- * Event would begin at 7:30 a.m. June 8 at the Hilton Greenville;
- * Networking from 7:30 - 8 a.m. with the event beginning at 8 a.m.;
- * This event is our economic forecast update and we plan to have some information on how the economy has been since the beginning of the year and perhaps a look at where it is going (The Lt. Gov. would not need to necessarily worry about this part).
- * After that brief presentation, the Lt. Gov. would be introduced and he could have as much time as he would like to deliver a "State of the State" kind of keynote. We can certainly discuss the keynote and its contents as we move forward;
- * Following the keynote, we would love to have the Lt. Gov. stand for some questions from myself and the audience for the duration of the event, which will end at around 9 a.m.

That is about the long and short of what the event entails. Traditionally, those attending our events are influential members of the Upstate business community, including business owners, CEOs, CFOs, etc.

Again, thanks for your time and consideration and we would love to have the Lt. Gov. as part of this event.

If you have any questions, my contact information is noted in my email signature or you can reach me by this email address.

Best regards,
Matt
