February can be a cold and tough month, and we certainly had our share of families and children who were sick. But it's also been an amazing one, full of blessings from God here at Boys Farm. Most of our goat herd had their little kids, which have been running around everywhere much to the children's delight.

Our most exciting news, without question, took place on February 17 when we had our new cottage groundbreaking ceremony! The weather was just horrible leading up to that day with freezing rain and snow. But on the 17th, the rain

was gone and it warmed up a little. It was a very special day, with so many people coming out to show their support for this ministry and the progress that is taking place.

The new roads are in place and the pads for the foundations are set—we are just waiting for some dry weather to move forward! The Mayor of Newberry spoke along with representatives from Great Southern Homes and the Building Industry Association of Central South Carolina.

It was quite an honor to be surrounded by so many people and all the boys for that special day. Everyone

parked their cars on the new road, which will be called "Heritage Circle." The name comes from Psalm 127:3-4, "*Behold, children are a heritage from the Lord, the fruit of the womb a reward. Like arrows in the hand of a warrior are the children of one's youth.*"

I believe the boys felt that way on Feb 17, and we continue striving to express just that to them—that they are not a burden, but a blessing, and God has purpose and meaning for their lives.
