Hi Chaney,

I wanted to reach out to you personally to let you know of my interest in speaking with Gov. Haley. I have been so impressed with her over the past year from her handling of the Confederate flag situation to giving the GOP response. I would love to find time to talk with her about some important national issues and her endorsement of Sen. Rubio. Let me know if you have any questions and I look forward to hearing from you.

My best,
Katie
