**Subject:** Follow Up to SCDMV Press Release

**Attachments:** PR - Replacement DLs 7-3-06.pdf

---

SCDMV issued a press release on July 3, 2006 informing citizens that some credentials were separating due to faulty card stock. If a citizen has a credential that is separating, he or she should replace it as soon as possible. If the credential is not separating, it does not need to be replaced. Citizens should not contact SCDMV if their credential is not separating.

Thank you for helping us provide this information to the public. Our previous press release is attached for your convenience. Should you have questions or concerns, please contact the Communications Office.
