As you may both know, these both received 3rd reading in the House and are now enrolled for ratification. I know the Governor does not sign the constitutional amendment joint resolution, but if she has any questions on S. 213, the implementing bill, please let me know. The nonprofit organizations assisted a lot in tightening up the legislation. I am so excited that charitable raffles could be legal by 2015. I might be able to empty a whole file cabinet of all my drafts!
