Yep; have already been in touch with Joann about this and told her I am the new contact.

Subject: OneSC Fund

Halti – I know Holly used to handle keeping track of the OneSC Fund donations (which was basically getting that info from Joanne at CCCF) for the Governor. Since you are running point on most OneSC Fund related things now, can you please take this over from Richele. Makes more sense for you to do it instead of Richele going forward.
