Your welcome, sorry I couldn't get it to you yesterday. I had switchboard duties and was not at my desk all day.

Per our conversation, attached is a copy of email from Kristin Ross (NY Extraditions Coordinator) to Maxwell Riley (SC Solicitor) informing us of NY agreeing to let Mr. Sampson serve New York sentence here. Also attached you will find tracking information, I have not heard anything back as of yet.

Thanks Anita. Do you know if NY requested the action? So we know they want him to stay in SC?

Richele:

We are in the process of setting up the transport of Inmate Sampson from Fairfield Co. to SCDC. Do you know whether New York has signed? Have they verbally agreed, but we just don't have the signature? I don't want to get ahead of ourselves on this. Thanks

Richele:

After reviewing the information on the above inmate, the South Carolina Department of Corrections recommends that we entered into the agreement to maintain the custody of Inmate Sampson, #237609. Because of the long South Carolina sentence, and because of the possibility of an error release from New York, we believe it is in the best interests of the State to maintain his custody. If you have any questions, please advise.
