# face to face

## scbio life sciences

charleston, sc | nov. 14–15, 2013

### 1) Leader /Keynote/Meals/Reception - \$5,000

Life Science Leader Sponsors associate their corporate brand as a leader in SC life sciences by hosting a major keynote, meal or reception that puts corporate executives at the center of the conference for remarks and introductions and VIP receptions. This includes four (4) registrations, dominant branding, display table, signage and two university student scholarships.

### 2) Champion/Panel Sponsors - \$3,000

Champion sponsorship establishes corporate expertise as a sponsor of a panel, breakout or other event. It includes (4) registrations, premium branding and display signage and a central role in panel or break-out sessions. Two university scholarships are included.

### 3) Corporate Sponsors \$2,000

Corporate Sponsors show their support with premium branding and signage, displays and on the Web site. Corporate Sponsors will also be acknowledged at least once during the conference and receive three (3) registrations.

### 4) JOB FAIR Exhibiting Sponsors \$1,500

**JOB FAIR participation is free. All biomedical manufacturers and life sciences companies should participate** in this year's JOB FAIR for interns, co-op students, and permanent hires. The JOB FAIR introduces the life science community to what you do and who you need. Participation is free but a \$1,500 sponsorship provides an exhibit table for the entire FAIR & conference and two registrations.

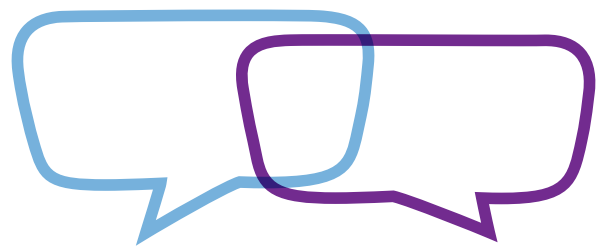

### 4) Exhibiting/Display/Supporting Sponsors - \$1,000

Exhibiting sponsors will receive a 6-foot table and display location in a high traffic area and be listed in the program and displays. Exhibiting Sponsors and Supporting Sponsors will receive two (2) complementary registrations to the conference.

## Become a sponsor and be a leading face in SC Life Sciences

### New this year!

### Job Fair, Pitch Contest
