**Ms. Pisarik - Five key documents regarding Pinewood Site matters.**

**As you review them, you will see some themes emerge and certain facts and actions reappear continually. The pieces will begin to fit clearly.**

**I am preparing a forensic timeline with hyperlinks to the relevant documents and passages within the documents – for the Pinewood Site and for Twelve Mile River. That will be used in the South Carolina portion of [rubiconpartyofone.us](http://rubiconpartyofone.us) – which organizes, summarizes, and narrates nearly 2,000 pages of documents of all types relevant to issues of the Pinewood Site and the Twelve Mile River Site.**

**I will let you digest for a few days the documents sent today. I will contact you on Thursday or Friday.**

**Please contact me in the meantime with any questions or needs you may have.**
