Subject: Re: False Charges / Expungement Delay

Mrs. Sloan: Thank you for taking the time to speak with me concerning solicitor Paulette Edwards. However, based on the history and sensitive nature of this matter, her intentional delay and prostration only confirms the unethical nature of the Richland County solicitors office.

I appreciate your diligent attempts to notify her for resolution. Apparently her actions violate court rules and ethical standards of law practice. False arrest, false imprisonment and malicious prosecution has been a signature trademark of the Richland County solicitors office against citizens of color, and must come to an immediate halt. I'm requesting, Paulette Edwards govern her future actions accordingly.

I have full intention of filing a formal complaint with the Office Of Disciplinary Council and the South Carolina Attorney General Alan Wilson concerning the blatant misconduct within this office.

Again, please inform me when Paulette releases the correspondence.

Cordially,

Earl Graham

**Subject:** False Charges / Expungement Delay

Mrs. Sloan: Thank you for taking the time to speak with me concerning the expungement process this morning. It is my understanding that the process has started approximately two weeks ago. Per our telephonic conference you stated, the assistant solicitor Paulette Edwards has the packet and has to approve or sign off on the expungement paperwork before it can continue.

I appreciate and thank you for your personal attention as it relates to this expungement matter.
