Dear Governor Haley,

I need help with a railroad crossing. I have contacted CSX about my problem but they want me to ~~send~~ ^{send} them \$1250.00 to put a entrance to private property. I am purchasing 7 1/2 acres near my home but the only way to this property is by rail crossing. I am 84 years old and there was a crossing at this entrance but was removed by the railroad. I am only requesting that they put this back as I don't know why it was removed 4 or 5 years ago, as I have said it is the ~~safe~~ only way to the 7 1/2 acres. I would appreciate anything ~~at~~ that you can do help me. There is a private party that owns the property adjoining my 7 1/2 acres. Please respond by phone or mail as I don't have a computer.

Thank you
Hoyt Reese
