**Subject:** Online course addressing living with dementia

---

Dear Grantees and Partners,

We wanted to make you aware of a free online course. Below is a brief description and a link for more information.

Living with Dementia: Impact on Individuals, Caregivers, Communities and Societies

The 5-week course addresses the care of persons with Alzheimer's Disease and other neurocognitive disorders and it can be taken by health professionals and students, family caregivers, and others interested in learning about dementia.
